Deliberate Indifference to Medical Care!

Violation of First Amendment Right! Violation of Eighth Amendment Right!

Prison Officials interfered and interrupted the plaintiffs medical treatment

plan out of retaliation from him having used his right to free speech to report

harmful medical conditions to BOP staff members.

Supporting Facts: <u>Plaintiff</u> has "<u>Deformed Toes</u>" (<u>Harmer Toes</u>), which prevented him from being able to wear the institution prison work boots on a daily basis. Medical services recognized that the Institutional boots were causing grave physical harms to his Toes/Feet, and authorized for the Plaintiff to wear AIS Orthopedic Soft Sole Shoes. The defendants soft sole shoes were taken from him out of retaliation from him having complained about the soft shoes not being water nor snow repellant. He was then forced to wear the institution boots that he was originally medically restricted from wearing, as they were causing grave physical harms to his feet/toes. Identify each federal employee whose actions form a basis for this claim, and state

the name of the federal agency that employs each such individual:

Associate Wardens SMITH & FERGUSON, Health Service Administrators WEAVER & GROVE,

Doctor Savidge, P.A. - Lehmann. All of these federal employees work for the BOP's

Federal Correctional Institution - GILMER, which is located in Glenville, WV.

With respect to each employee you have named above, state whether this individual was acting within the scope of his or her official duties at the time these claims occurred? XX Yes \Box No

If your answer is "YES," please explain: While each and everyone of the above listed Bop employee's were physically working at the Prison Facility from November 6, 2014. They each participated in with the interruption of my prescribed medical treatment for my deformed toes, by taking my soft sole shoes away out of retaliation.

Prison Officials interfered and interrupted/delayed the plaintiffs medical necessary treatment plan that was ordered and prescribed by two treating physicians out of retaliaton from the plaintiff having used his 1st Amendment right to file grievances against staff misconduct and his medical needs.

Case 2:18-cv-00388
·
During the Month of April 2014, the Plaintiff suffered a serious injury to his left knee, a Torn Meniscus. The
Plaintiff informed F.C.I. Gilmer medical staff of the serious injury. They in turn "did not" render to him the appropriate standard of medical care, in that they DID NOT provide him with a care, knee brace, nor appropriate pain
medication. Gilmer health personnel "DID NOT" perform a MRI — X-ray of this serious injury until February of 2015,
which revealed a "Torn Menisous". Instead of providing the medical necessary "Corrective Surgery", Gilmer Officials
transferred the Plaintiff to another institution, fully knowing that he was suffering from a serious injury. The Plaintiff arrived at the Allenwood Prison Complex in March of 2015. He immediately informed the prison health service
personnel, that he was suffering from a serious knee injury and that it required surgery. Allerwood Officials con-
firmed the injury, agreed that it needed surgery, but intentionally refused to provide the necessary surgery as well!
Identify each federal employee whose actions form a basis for this claim, and state
the name of the federal agency that employs each such individual:
Wa <u>rden Capt. S. Spaulding, Capt. Underwood, P.A. T. Pfirman, CMC Ms. Gainer,</u> Unit Manager Nicholas, Case Manager Parker, Counselor Cruz, Health Service
Administrator - Dr. Santos, whom all work for the Bop's Allenwood Facility. [CMC - POTTER, Case Manager - Thompe, HSA Mr. Weaver, Dr. Savidge, P.A. Lehmann - all work for the GIIMER Federal Facility.]
With respect to each employee you have named above, state whether this individual was acting within the scope of his or her official duties at the time these claims occurred? XXI Yes No
If your answer is "VES" please explain. While each and everyone of the above

If your answer is "YES," please explain: listed Bop employee's were physically working at the Prison Facility from April of 2015 through July of 2015. They each conspired with the other, to intentionally delay, interfere, and/or interrupt my prescribed medical treatment plans for my serious Knee Injury and Lung Tumor. Failed to allow for me to complete treatments.

Violation of First and Eighth Amendment Rights! Prison Officials have intentionally chosen to further delay and/or not render the appropriate standard of medical care and treatment for my serious knee and lung injuries...out of deliberate indifference to my medical care/needs.

Supporting Facts: The Plaintiff was transferred from the Allerwood prison complex to the Beaumont Prison Complex, while he was under the care and treatment of "Two" Specialized Doctors. Orthopedic Specialist - Dr. Ball, and Pulmonary Lung Specialist, IR. Kiss. Upon his arrival at the Beaumont prison complex, the plaintiff informed the medical staff that he was suffering from two medical injuries, a torn meniscus, and a cancerous tumor in his lung. Prison Health Services has REFUSED to provide to the plaintiff the appropriate standard of medical care for

these injuries! Identify each federal employee whose actions form a basis for this claim, and state the name of the federal agency that employs each such individual: Warden Lara, Health Service Administrator - MALLET, R.N. T. Byrd, and on-site Physician Dr. "P". All of these employee's work for the Bureau of Prisons. VII. <u>INJURY</u>

Describe BRIEFLY and SPECIFICALLY how you have been injured or your property damaged and the exact nature of your damages. I have been grievously harmed with the Unnecessary and Unwanton infliction of pain and suffering of a Torn Meniscus for over 20 months and counting. Both my Knee and Lung Injuries have been put at RISK OF becoming worser - because of the deliberate indifference in not rendering me the appropriate standard of medical care that the states of West Virginia, the Commonwealth of Pennysylvania and Texas Required by Law.

VIII. RELIEF

State **BRIEFLY** and **EXACTLY** what you want the Court to do for you. *Make no legal arguments. Cite no cases or statutes.*

I wish for the Courts to Order USP Beaumont Health Officials to immediately schedule the Plaintiff for an Arthroscopy Surgery, so as to repair the Torn Meniscus. To provide physical therapy and proscribe the appropriate pain medication until he has recovered. Order Beaumont Health Officials to Schedule the Plaintiff for an appointment with a certified Pulmonary Lung Specialist, who will be able to perform the biopsy and or appropriate lung surgery. Provide appropriate aftercare therapy. Lastly, award the plaintiff \$1,000,000,000.00 for having his medical treatments for both his Torn Meniscus and Lung Tumor DELAYED for so long. The Pain and Suffering from having his treatment interrupted
